Description

FSA helped scope, develop and secure financing for the Rock & Brews Casino and Restaurant expansion. FSA was engaged in 2019 after Kaw Gaming spent several years trying to make the expansion project a reality through other efforts. FSA was able to secure competitive financing during the COVID pandemic enabling KGI to start the construction of the project before construction costs escalated in the spring of 2021, saving the KGI millions and enabling the project to remain on schedule.
